April 6, 2009 2:28 PM EDT

CHATHAM, N.J., April 6, 2009 (GLOBE NEWSWIRE) -- Russo Development, LLC and Cervalis, LLC have announced a long-term lease for a new, 148,191 square foot [data center](#) facility in northern New Jersey. The facility will have over 50,000 square feet of data center area with the balance of the space used for support equipment, disaster recovery and general offices. This lease represents Cervalis' first facility in New Jersey, giving the company a full-service presence in New York, New Jersey and Connecticut. With this new location, Cervalis now occupies more than 280,000 square feet of space for its data centers and disaster recovery centers in the tri-state area. The facility will be Russo Development's sixth data center increasing their portfolio of mission critical facilities in New Jersey to over 1.4 million square feet.

"Russo Development has provided us with an excellent platform from which we can create a data center and work recovery center to Cervalis' exacting specifications," said Chief Executive Officer, Michael Boccardi. "With our experience constructing our New York and Connecticut facilities, we can fit out this new facility as a state of the art center to serve clients in New Jersey as well as offering our clients complete production and backup facilities throughout the tri-state region."

Craig Zurick, Senior Vice President of the Garibaldi Group, represented Cervalis, LLC in collaboration with their CORFAC Affiliate, Howard E.
